FROM DISTRICT GOVERNOR - LARRY BUNTROCK

SEPTEMBER 2016

Hello Fellow Lions, the new year is underway. I hope each club has been busy getting their new year organized and looking for new members. Remember ***Just Ask One!*** For the Centennial year there are special Centennial Membership Awards provided to all Lions and Lions Clubs for inviting new members and helping to organize new clubs. If a Lion sponsors a new member, they will be immediately recognized as a Centennial Sponsor and receive a Limited Edition pin and certificate. The new member will also receive a special Centennial pin. If your club helps to organize a new club, they will also be recognized immediately as a Centennial Club Organizer and receive a Limited Edition pin and certificate. The longer new members and new clubs stay active, the more awards a Lion or Lions club can earn. Just a note to all Club secretaries: If you do not have the **2016-2017 New Member Kits,** please order them from LCI so your new members and sponsors will get the Centennial Lions pins.

You can order Peace Poster kits from Leanne Gutormson at huronnoon-lions1922@gmail.com. Please follow the rules as printed carefully so all entries are qualified to be judged. All children 11, 12, &13 on November 15, 2016 are eligible to enter. Some were not judged last year as they were not correct. All entries must be to Peace Poster Chairman Lee Ann Gutormson, 2187 21st St. SE, Huron, SD 57350 by November 1st.

Last years International President Dr. Jitsuhiro Yamada is the Lions Clubs International Foundation Chairperson this year. He strongly believes that the Foundation is a vital part of Lions International service efforts. Millions of people around the world have benefited through more than 11,340 Foundation grants which have totaled more than $828 million. South Dakota was the first one to receive a Grant from LCI. After the Rapid City flood, they received the grant to help with the clean-up. So we know first-handed how important they are. I would like to encourage each club when they are making up there donation lists to include a donation to LCI. When you as a club or a club member have made a donation to LCI and the amount has reached $1000, your club may present a Melvin Jones award to someone of your choice.

All club secretaries should have received their 2016-2017 Directories for District 5SE by now. If you have not, please let me know.

I have received the LCI Centennial Service Challenge patches which each club gets for completing the Vision, Youth, Hunger, & Environment Challenges. Those I have not delivered, I will bring to the Fall Forum. I also have some Club Legacy project patches which I will get to the clubs.

We have a great Fall Forum set up at the Brandon Municipal golf Course. Registration forms are in the newsletter. As we promote our motto of "We Serve", please remember to bring a non-perishable food item to benefit the Feeding SD food pantry. I will see you all there.

BROOKINGS EARLY BIRD

July 9 & 10 the Brookings Summer Arts Festival was held at Pioneer Park in Brookings. The big fundraiser for the Brookings Early Bird Lions Club is selling Indian Tacos at this event. The club has been selling food at the event since the events inception. A picture of our food booth is shown at the right.

One of the charities that the EBLions like to donate proceeds to is the Sioux Council of the Boy Scouts of America. All the Boy Scouts in the area frequent the summer camp called Lewis and Clark Scout camp.

Lewis and Clark Scout Camp is located 10 west of Yankton, South Dakota on the shore of the beautiful Lewis and Clark Lake, part of the Missouri River. In operation since 1957, Lewis and Clark Scout Camp is host to over 2000 Scouts and Scouters during summer camp and even more people take advantage of the camp during the school year. With over 400 acres of camp property, there is plenty of room to explore and enjoy nature.

Lewis and Clark offers an extensive summer camp program with over 40 merit badges, COPE, Sailing, Challenge Valley obstacle course, Buckskin Adventure and many more fun and exciting programs.

In the last few years the club has donated to a new public address system for the summer camp along with a new set of water front floating docks. This year the club has donated equipment for a new flying target archery system.

SIOUX FALLS DOWNTOWN

The Downtown Lions are proud to present their 9th International LEO of the Year Award Recipient!

Autumn Klaudt
Lincoln High School, Class of 2016
Joined SALSA/LEO as a Sophomore
Elected to the Youth Action Committee (YAC) as a Junior
Total Volunteer Hours: 257

In addition to attending LHS, Autumn Klaudt took some classes at the Career and Technical Education Academy, Southeast Technical Institute, and the University Center. She worked every day at one of four jobs, and considered it a blessing to meet a wide variety of people every and share with them the opportunities we have to serve our community. Autumn always made volunteering a priority, receiving 2 consecutive annual He!pLine Center awards for 100 hours of volunteer service in a school year.

As a member of YAC, she opened every SALSA/LEO meeting at Lincoln High School by introducing herself and talking about SALSA/LEO. This made her a well known member of SALSA/LEO in the Lincoln High School community. She always encouraged her friends and classmates to attend SALSA/LEO meetings, as it is a wonderful club that connects high school students to our community.

Autumn Klaudt also served as Vice President of Interpersonal Relations for DECA; and Captain of the Sioux Falls Cygnets Synchronized Swim Team for 2 years

Her favorite service project was planning and coordinating a New Year's Eve Lock-In for the middle school children at Abiding Savior Free Lutheran Church. Autumn was in charge of all decision making and overall supervision. Tasks included: promotion, decorating, scheduling, games, and entertainment.

She recruited high schoolers to come and help with the adult chaperones. Over 50 people participated, and the middle school children now look up to Autumn as a role model. Autumn hopes to motivate and inspire the younger children by her example, and to make a positive impact in the community and in the world.

She is going on to the South Dakota State University in pursuit of a major in pharmacy.

MD5 2017 Lions Youth Camp

Flock to Drake

July 16-22, 2017

Looking for a way Lions can help youths? Look no more.

Lions and Lions clubs in MD5 are asked to help sponsor youngsters for the International Youth Exchange Camp, scheduled July 16-22, 2017 near Drake, N.D. This is a great way for youths from our area and all over the world to get together in the spirit of Lionism, and to learn what Lions are all about.

Ages are 15 to 19 and the cost is $400 per person. Only 40 slots are available

There are many ways for MD5 Lions to help!!! You can **sponsor a youth**, **host a youth**, **help with meals**, **donate money** for camp activities and to pay for transportation for the different trips or become a camp counselor.

Host families are especially needed!!! Being a host family would be a three to six-week commitment depending on how long the student is able to stay. Host families would provide a room, meals, transportation to the camp, sleeping bags and pillows. These students have their own spending money and full health insurance as well.

Youth Camps & Exchange

Drake is in the center of North Dakota, so there are many possibilities for activities. Among the ones that have been discussed are as follows:

- Go to Bismarck-Mandan to see the State Capitol, Heritage Center and to have some fun at Raging Rivers Water Park.
- Go to Rugby to see the geographical center of North America, the Village Museum and then to Minot to the zoo.
- Go to Newtown and the surrounding area for a day.
- One of the days will be spent doing a community project and just having fun at camp.

The camp itself has swimming, boating, fishing, canoeing and other activities. Bonfires will most likely be a nightly event.

Any questions, please contact the co-chairs, Lions Carla Lein and Jan Coca. Carla can be reached at 701-781-0743 and Jan can be reached at 701-509-4901.

Please help make this a success. All Lions and Lions clubs are encouraged to help.

Thank you for your support,

Lion Carla and Lion Jan

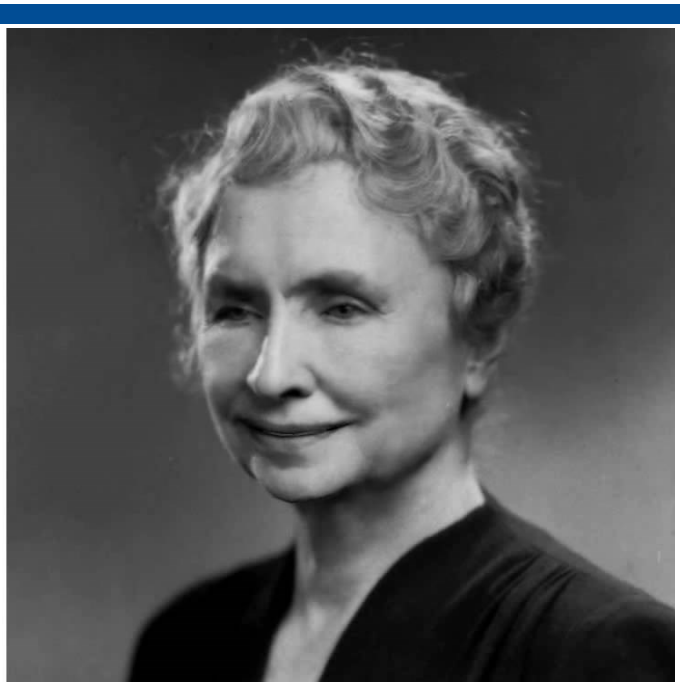
ALONE WE CAN DO SO LITTLE; TOGETHER WE CAN DO SO MUCH



It was Helen Keller who so eloquently encouraged Lions to take up the cause of preventing blindness in her speech during the 1925 Lions International Convention.

"The opportunity I bring to you, Lions, is this: To foster and sponsor the work of the American Foundation for the Blind. Will you not help me hasten the day when there shall be no preventable blindness; no little deaf, blind child untaught; no blind man or woman unaided? I appeal to you Lions, you who have your sight, your hearing, you who are strong and brave and kind. Will you not constitute yourselves Knights of the Blind in this crusade against darkness?"

As you plan your club year, I encourage you to plan projects that address blindness. Opportunities exist at the local, state, national and international level.

Locally, you can participate in preschool screenings, collect used eye glasses, assist people in the purchase of eye glasses, and invite speakers to discuss vision loss and services available. Encourage your members to learn more about being a donor. Encourage someone with vision loss to join your club.

At the state level, you could support the SD Lions Eye and Tissue Bank and the SD Lions Foundation.

Internationally, your club can take part in a variety of vision-saving campaigns through LCIF (Lions Club International Foundation) through your donations or designation of a Melvin Jones Fellowship Award.

I hope this year your club will dedicate some of your resources (time and money) to being "Knights of the Blind". Let me know what you're doing and I'll help spread the word. As Helen Keller so aptly pointed out "Alone we can do so little; together we can do so much."

A LIONS PRAYER

When I attend my Lions Club and break bread at the table,
I give a million thanks to God to know that I am able,
To meet there with my fellow man, relax and play and sing,
To hear the speakers of the day, the fine thoughts that they bring,
I realize that I have a part in caring for the blind,
Also the underprivileged, let's keep them all in mind,
Now as we do our daily tasks, pray God we do them greatly,
Then Liberty and Intelligence will be Our Nation's Safety.
